# CERTIFIED CELEBRANT TRAINING

In partnership with

InSight

Institute

Training Division of InSight Books

---

## AUGUST 2-4, 2022

---

This training is for anyone interested in the process of funeral service and learning how to personalize and design meaningful funerals or tributes. A successful Celebrant is one who enjoys working with people, has writing and public speaking ability as well as listening and consulting skills.

The seminar attracts a wide variety of participants: funeral directors, pre-need and aftercare specialists, hospice professionals, clergy, chaplains, retired teachers, business people, actors, writers and students.

A Celebrant on your funeral home staff is a great resource to offer families who do not have or do not wish to utilize a clergy person. After a few Celebrant funerals, word will spread quickly about the meaningful and caring funerals being conducted by your firm.
